Over the course of a musical journey that has taken him from Norton, Massachusetts to Nashville, Timmy Brown has merged a deep devotion to the country genre with a distinct vocal clarity and songwriting style to create an expressive and energetic sound all his own. Brown's debut EP, *Leave This Town*, was released in April 2016 and on April 18 of that year, his first single ("Lil Bit") was released on iTunes, where it reached the Top 100 charts in a mere 24 hours.
